DIAL

Blue, luminous hands and indexes with Nautica Style symbols, reflective ring, to 50 m. Date indicator at 3 o'clock. Five different colourways

The fun of an endless summer is reflected in the Surfside collection, in the blue and white waves to tame while balanced on a surfboard. Surfside is a light and colourful wrist watch created for sport. It recalls the freshness of Nautica Style, conjured up by the colourful international maritime signal flags on the hour indexes.

Surfside has the extrovert personality of people with the sun in their eyes, who never stand still and love sharing their best times with their friends. The movement with date indicator is water resistant to a depth of 100 meters.

Available in four colorways, each Surfside has special transparent resin packaging that recalls the colorways of the blue dial, with a black or contrasting orange depth gauge, or of the strap, also available in a tone-on-tone camouflage version.
