NEW YORK, NY - For Immediate Release – Nautica Watches updates its signature nautical flag collection of watches with the NCT 16 Flag, a classic twist to the otherwise sporty style.

This new flag watch, like its predecessors, features nautical flag icons as the hour markers on the dial. Each flag corresponds to a letter of the alphabet spelling out “Nautica Sport”. Utilizing a Japanese chronograph movement and set in a sleek 44mm stainless steel case, the watch has a pop of color on the pusher at 2 o'clock to add to its unique, masculine style. The croco leather straps in red, blue, and black are lined on the wrist side with a contrasting color providing a fashion twist to an otherwise understated element. Also available in three bracelet versions: stainless steel, grey IP, and rose-gold tone, this timepiece has a screw down crown & case back ensuring water resistance to 100m.

This timepiece with its distinctive styling, classic design, color pops, and signature nautical flags on the dial, is quintessential Nautica. Whether on the job or on the water, the NCT 16 Flag adds just the right amount of classic nautical detail to your everyday style.
