Nautica Watches introduces the NMX 15 Digital Yachtimer, a new digital watch with a sophisticated modern look.

Housed in an impressive 55mm case, this timepiece is rugged in look, yet lightweight in feel. The soft silicone strap wraps neatly around the wrist, making it comfortable to wear both for a day out at sea or on a stroll through city streets. Fitted with a digital chronograph module featuring a yacht/sailing mode, this timepiece offers multiple levels of precise timing for the water sport enthusiast, including a countdown timer, an automatic count-up timer and data recall. The NMX Digital Yachtimer also has two time modes in addition to the alarm, timer and chronograph functions, making it the ideal watch for day or night, land or at sea.

With its distinctive but highly versatile personality, the striking looks and impressive functionality of the NMX 15 Digital Yachtimer makes it the perfect choice for whatever the occasion.
